How to make your Party hats

You will need:

String or ribbon, scissors, hole punch, Glue (optional) and a red pom pom (optional).

1. Cut the Party Hat shape using scissors
2. Cut your string to length measuring on the child's head
3. Punch out a hole on either side, cut a slit on the dotted lines
4. Glue or fold the tab into the slot (if folding cut a small slit into each side of the tab so it locks in place)
5. Glue a pom pom or red nose on top (optional) and tie string through the holes on top, (Optional) and tie some string through the holes.
